

Vinfoerm Sorben

We hereby confirm and guarantee that the quality of the following goods meet EEC standards of quality. The goods have been manufactured from the highest quality raw materials and are fit for food processing use. They have been laboratory controlled for pureness and quality. The ingredients are admitted as additives (E202, E211) under the current European legislation:

EC Directive 2008/84/EC on food additives other than colours and sweeteners.

EC Directive 88/388/EEG on flavourings for use in foodstuffs and to source materials for their production.
