

## Hobby bottle filler

### TECHNICAL DATA

Machine for oenological using.

Weight: 3 kg.

Description and illustrations are not binding and Brouwland reserves the right to amend technical data without prior notice.

### ADVICE ON USE

1. Connect a hose between the tap's connection (A) of the hobby bottle filler and your wine recipient.
2. The plastic tank (B) will fill due to gravitational force.
3. Suck shortly on the suction hole (C) of the stainless steel connector (D) and place a bottle under it
4. The bottle is filled. The filling will stop automatically.
5. Remove the filled bottle.

### MAINTENANCE

After use, clean the bottle filler. Rinse with Star San HB.
