DECLARATION OF CONFORMITY

The company

ENOITALIA s.r.l. Via Provinciale Pisana, 162 Cerreto Guidi (Fi) - Italy

as producer of

COD. 390 JOLLY 40 MV

Composituon and use: Destemmer made in stainless steel for separate steam from the grape.

The materials in contact with the grape are: Stainless steel AISI 304 and Natural Rubber for roller.

Type of foodstuffs allowed: GRAPE

The products in object, according to contact food requirements, complies with the following EU legislations:

- regulation CE 1935/2004 dated 27th october 2004

Concerning materials and articles intended to come into contact with food and repealing Directives 80/590/CEE and 89/109/CEE;

- regulation CE 2023/2016 dated 22nd December 2006

Concerning good manufacturing practice for materials and articles intended to come into contact with food;

The use of the products indicated in this declaration in the industrial or commercial field does not exclude the verification of its compliance with the current regulations of competence and the technological suitability for the purpose for which it is intended.

The manufacturer emphasizes that this declaration relates exclusively to the products described above, in the state and to the intended uses for which it was placed on the market, excluding any components and materials eventually added and /or the operations carried out afterwards by the final user without the authorization of the manufacturer.

The declaration is valid from the date shown below and will be replaced if substantial changes occur in the production of the material capable of changing certain essential requirements for compliance or when the legislative references cited in this declaration will be amended and updated in a manner to request a new verification for compliance purposes.

In support of what has been declared, the documentation required by the regulation is available to the competent Authorities.
